beauty ahead

An aerial photograph of a person lying on their back on a wooden deck. The deck is made of dark wood with horizontal slats and is illuminated by warm, yellowish lights. The person is wearing a white top and dark shorts. In the foreground, there are several metal chairs and round tables arranged on the deck. The background is a vast, dense forest of tall, thin trees, all bathed in a deep blue light, creating a surreal and dreamlike atmosphere.

PINups

luxe redux

Crystal cutoffs and salvaged marble are repurposed into heirloom-worthy furniture

Easca coffee table in cast crystal and Irish green marble by Orior. oriorfurniture.com
